

MY EXPERIENCE WITH AMTECH

Thank you so much for your fantastic customer service, Amtech!
With a special thanks to Tim, Elyse and Betsy.

The process of becoming an Amtech client was a smooth one. There was a bit of hard work involved to establish the list of items we wanted stocked and in what amounts but the process was made easier by the wonderful staff at Amtech.

Amtech provide a very high quality and prompt service and have a great 'if we don't have it we will do our best to get it for you' attitude.

Any requests or queries are answered immediately. Eg. Needing our order packed into smaller boxes and website enquiries.

We love the chocolate that we receive with our orders – it is a small token but one that is much appreciated.

The website is so user friendly. The 'Favourites List' set up for ordering makes my life a lot easier. I simply log in, add the quantity beside the item I wish to order and send in the order. If the items aren't listed on my 'Favourites List' they can easily be found on the website or will be sourced whenever possible.

We now have a very comfortable relationship with Amtech and I would not hesitate to recommend you to others.

Thank you to **everybody** involved with the very efficient ordering process – your hard work is much appreciated!

PS. Keep the chocolates coming!
